National Institute of Nursing Research

20th Anniversary Science Symposium
October 11, 2005 Natcher Auditorium
Bethesda, MD

The **National Institute of Nursing Research** invites you to join them for an exciting scientific symposium marking the kick-celebration of NINR's 20th Anniversary. This important event will be held in conjunction with the Council for the Advancement of Nursing Science Special Topics Conference and the FNINR Nightingala. The symposium will be presented in the main auditorium at the Natcher Conference Center on the NIH campus in Bethesda, Maryland. There is no charge to attend. Please register by October 4, 2005.
