

## CALL FOR APPLICANTS

The Summer Genetics Institute (SGI), sponsored by the National Institute of Nursing Research (NINR), is a one month, intensive program of classroom and laboratory instruction in genetics that provides a foundation for biobehavioral research and clinical practice. The SGI is administered by the Foundation for Advanced Education in the Sciences (FAES) as one of the Bio-Trac programs.

The SGI is provided by NINR at no cost to program attendees. Attendees are responsible for housing, food, and transportation expenses incurred during program participation. **The application period for NINR's 2013 SGI will open Monday, January 14, 2013, and close at 5:00 p.m. EST on Monday, March 18, 2013.** For further information, contact the SGI.

### Eligibility Requirements

Nursing graduate students, faculty, and clinicians who are citizens or permanent U.S. residents.

### Application Information

For more information and to apply, visit <http://www.ninr.nih.gov/Training/SGI>

**Applications are due: March 18, 2013**
