

| CODE | MECHANISM  | DESCRIPTION  | SPECIAL FEATURES  | AWARD AMOUNT  | TIME                             | RECEIPT DATES<br>*.H  | NIH WEBSITES<br><a href="http://grants1.nih.gov/grants/oer.htm">http://grants1.nih.gov/grants/oer.htm</a>   |
|------|--|--|---|---|----------------------------------|---|---|
| R01  | NIH Research Project Grant (Parent)                | To support a discrete, specified circumscribed project with a potential major impact.  | Demonstrated competence and interest in science area based on NINR mission. Information Note: New Investigators and Early Stage Investigators – <i>see website.</i> | Variable<br><br>No specific dollar limit unless specified in FOA<br><br>See NIH Policy on Applications Requesting \$500K or more in Direct Costs: <a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-02-004.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-02-004.html</a> | Generally awarded for 3 -5 years | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | Parent Announcement: <a href="http://grants.nih.gov/grants/guide/pa-files/PA-13-302.html">http://grants.nih.gov/grants/guide/pa-files/PA-13-302.html</a><br><br>New and early stage investigators: <a href="http://grants.nih.gov/grants/new_investigators/">http://grants.nih.gov/grants/new_investigators/</a><br><br>Funding Note: <a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-02-004.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-02-004.html</a><br><br>Also, see instructions germane to the R01 grant in the SF424 electronic application. |
| R21  | Exploratory/ Developmental Research Grant (Parent) | To encourage exploratory and developmental research projects in early stages of development. Are expected to be novel and lead to a major impact   | For new projects only. For exploratory, novel studies   | Maximum of \$275,000 direct costs for 2 years. No more than \$200,000 direct costs in any given year.   | Up to 2 years. Not renewable.    | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | R21 Parent Announcement: <a href="http://grants.nih.gov/grants/guide/pa-files/PA-13-303.html">http://grants.nih.gov/grants/guide/pa-files/PA-13-303.html</a><br>See also instructions germane to the R21 grant in the SF424 electronic application.   |
| R15  | Academic Research Enhancement Award (AREA)         | To stimulate research at educational institutions that provide baccalaureate or advanced degrees that have not been major recipients of NIH support. To support small-scale health-related | Modular and non-modular grant procedures.   | Maximum of \$300,000 direct costs.  | Up to 3 years. Renewable.        | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | R15 Parent Announcement: <a href="http://grants.nih.gov/grants/guide/pa-files/PA-12-006.html">http://grants.nih.gov/grants/guide/pa-files/PA-12-006.html</a><br><br>See link on this page for ineligible schools: <a href="http://grants.nih.gov/grants/funding/area.htm">http://grants.nih.gov/grants/funding/area.htm</a> .   |

|        |                      |   |  |                                   |            |          |   |
|--------|----------------------|---|--|-----------------------------------|------------|----------|---|
|        |                      | research projects. Support small research projects in the biomedical and behavioral sciences conducted by students and faculty in health professional schools and other academic components that have not been major recipients of NIH research grant funds |  |                                   |            |          |   |
| Type 3 | Diversity Supplement | To attract under-represented individuals to enter nursing research careers.   | PIs of existing grants may apply for supplement. | Varies according to career level. | Two years. | Anytime. | See PA at <a href="http://grants.nih.gov/grants/guide/pa-files/PA-12-149.html">http://grants.nih.gov/grants/guide/pa-files/PA-12-149.html</a> and <a href="#">NOT-OD-11-113</a><br>Note eligibility criteria for supplement investigator in program announcement. |

\* All **AIDS-related research applications** are due January 7, May 7, and September 7.

<sup>H</sup> Resubmission or renewal dates due one month later except for R15, for which the established dates remain the same.

\*\* If application proposes \$500,000 or more in direct costs in any one year, must contact program staff at least 6 weeks prior to submission (NIH Guide, 5/03/96).

Applicants must seek agreement to accept assignment from IC program staff at least 6 weeks prior to the anticipated submission of these applications (NIH Guide 10/16/01). Budgets of \$350,000 direct costs in any year go to advisory council for special consideration of high budgets.

| CODE | MECHANISM   | DESCRIPTION   | SPECIAL FEATURES   | AWARD AMOUNT  | TIME  | RECEIPT DATES*  | NIH WEBSITE  |
|------|---|---|--|---|---|---|--|
| F31  | National Research Service Award (NRSA) For Individual Predoctoral Fellowship (F31) in Nursing Research        | To help ensure that highly trained nurse scientists are available in adequate numbers and in appropriate research areas to carry out the NINR mission.  | Assists students in full-time, mentored research toward a doctoral degree.                             | FY 2012: \$22,032 annual stipend, 60% of tuition and fees up to \$16,000 (\$21,000 for dual degree), plus annual institutional allowance of \$4,200 (includes health insurance).                                | Up to 5 years.  | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-11-117.html">http://grants.nih.gov/grants/guide/pa-files/PA-11-117.html</a><br><br>tuition, fees, health insurance information for <b>FY 2012</b> :<br><a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html</a> |
| F31  | National Research Service Award (NRSA) Predoctoral Fellowship to promote diversity in health related research | To help ensure that highly trained diverse pool of nurse scientists are available in adequate numbers and in appropriate research areas to carry out the NINR mission.                              | Must assure training on a full-time basis, at least 40 hours per week.                                 | FY 2012: \$22,032 annual stipend, 60% of tuition and fees up to \$16,000 (\$21,000 for dual degree), plus annual institutional allowance of \$4,200 (includes health insurance).                                | Up to 5 years.  | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-11-112.html">http://grants.nih.gov/grants/guide/pa-files/PA-11-112.html</a><br><br>Tuition, fees, health insurance information for <b>FY 2012</b> :<br><a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html</a> |
| F32  | National Research Service Award (NRSA) Postdoctoral Fellowship  | Supports developing nurse scientists with a doctoral degree who want to broaden their scientific background and extend their potential for research   | Program has high NINR priority. Must assure training on a full-time basis, at least 40 hours per week. | FY 2012: Stipend based on experience: \$39,264 to \$54,180. 60% of tuition and fees up to \$4,500 (\$16,000 for additional degree), plus annual institutional allowance of \$7,850 (includes health insurance). | Up to 3 years total NRSA postdoc support. Exceptions by waiver. | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-11-113.html">http://grants.nih.gov/grants/guide/pa-files/PA-11-113.html</a><br><br>Tuition, fees, health insurance information for <b>FY 2012</b> :<br><a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html</a> |
| F33  | National Research Service Award (NRSA) Senior Fellow  | Provides funding for experienced nurse scientists in advanced training to explore new areas of science, acquire new research capabilities, and enlarge their command of interdisciplinary research. | Must have postdoc research or professional training, and appropriate sponsor.                          | Stipend determined at time of award: 60% of tuition and fees up to \$4,500 (\$16,000 for additional degree), plus annual institutional allowance of \$7,850 (includes health insurance).                        | 2 years.  | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-11-114.html">http://grants.nih.gov/grants/guide/pa-files/PA-11-114.html</a><br><br>Tuition, fees, health insurance information for <b>FY 2012</b> :<br><a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-12-033.html</a> |
| T32  | National Research   | To enable institutions to make  | Requires full-time   | Predoc: \$22,032 stipend, \$4,200 training related  | Predoc: 5 years.  | May 25  | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-">http://grants.nih.gov/grants/guide/pa-</a>  |

|  |  |  |                         |   |                      |  |   |

\* All AIDS and AIDS-related application receipt dates are May 7, September 7, and January 7.

| CODE    | MECHANISM   | DESCRIPTION   | SPECIAL FEATURES  | AWARD AMOUNT  | TIME         | RECEIPT DATES*  | NIH WEBSITE   |
|---------|---|---|---|---|--------------|---|---|
| K01     | Mentored Research Scientist Development Award               | Provide a nurse scientist with a period of additional mentored research experience with an expert investigator for career enhancement or to gain expertise in a new area.         | Must spend a minimum of 75% effort on research and research career development.   | Up to \$50,000 salary plus fringe benefits. Research expenses up to \$20,000.   | 3 years.     | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-14-044.html">http://grants.nih.gov/grants/guide/pa-files/PA-14-044.html</a>   |
| K23     | Mentored Patient-Oriented Research Career Development Award | A period of mentored research experience to support the career development of nurse scientists who have made a commitment to focus on patient-oriented research.                  | Must spend a minimum of 75% effort on research and research career development.   | Up to \$75,000 salary plus fringe benefits. Research expenses up to \$25,000.   | 3 years.     | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-14-049.html">http://grants.nih.gov/grants/guide/pa-files/PA-14-049.html</a>   |
| K24     | Mid-Career Investigator Award in Patient-Oriented Research  | A period of mentored research to provide clinicians with protected time to devote to patient-oriented research and to act as mentors for beginning nurse scientist investigators. | Must spend between 25-50% of effort conducting patient-oriented research and mentoring. Must have independent research support. Should be at Associate Professor level or equivalent. | Up to \$83,350 salary plus fringe benefits. Research expenses up to \$25,000. (Based on a maximum legislative salary cap of \$166,700). | 3 - 5 years. | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-14-047.html">http://grants.nih.gov/grants/guide/pa-files/PA-14-047.html</a>   |
| K99/R00 | Pathway to Independence (PI) Award                          | An NIH-wide program that allows promising postdoctoral nurse scientists to receive both mentored and independent phases of research support for up to five years.                 | Must be in a non-tenure track faculty position.   | Total cost for R00 phase may not exceed \$249,000 per year.   | 5 years.     | <a href="http://grants.nih.gov/grants/dates.htm">http://grants.nih.gov/grants/dates.htm</a> | See PA at:<br><a href="http://grants.nih.gov/grants/guide/pa-files/PA-14-042.html">http://grants.nih.gov/grants/guide/pa-files/PA-14-042.html</a><br><br>See<br><a href="http://grants.nih.gov/grants/guide/notice-files/NOT-OD-13-050.html">http://grants.nih.gov/grants/guide/notice-files/NOT-OD-13-050.html</a> |
