* All **AIDS-related research applications** are due January 7, May 7, and September 7.

**Resubmission or renewal dates due one month later except for R15, for which the established dates remain the same.**

**If application proposes $500,000 or more in direct costs in any one year, must contact program staff at least 6 weeks prior to submission (NIH Guide, 5/03/96). Applicants must seek agreement to accept assignment from IC program staff at least 6 weeks prior to the anticipated submission of these applications (NIH Guide 10/16/01). Budgets of $350,000 direct costs in any year go to advisory council for special consideration of high budgets.
